Dear Parents and Students:

Andrew Carnegie School is proud of its academic and sports records, but we must remember that our first priority is to provide the best education possible to our students.

Athletes' grades will be checked every five weeks. If any athlete receives a failing grade on the progress report or the report card, the student will not be permitted to participate on any Carnegie athletic team in any way (tryouts, practices, travel, etc.) until grades have reached acceptable levels, C or better.

Our mission is to prepare children for educational success beyond Carnegie. Your child doesn't have to be a "phenom" to play sports in high school and college. The only absolute qualification is academic standards.

No Grades ... No Sports ... No Kidding.

Sincerely,

Marlene P. Heath

Marlene P. Heath, Principal
